

*The life you've been working for and a community that will work for you.*

Brantford, Ontario is a charming town with a proud heritage in the scenic Grand River Valley. Hometown hospitality that's just a short trek to several urban centres and major universities...just twenty minutes west of Hamilton on the 403.

**Brant Community Healthcare System** is a fully accredited, award winning healthcare organization and an affiliated teaching site of McMaster University Michael G. DeGroot School of Medicine. BCHS is made up of the Brantford General, a regional acute care health centre, and The Willett in Paris which provides urgent care.

## Hospitalists

Consider working with a dynamic team of Hospitalists to provide patient-centered, quality care from admission to discharge. Our Hospitalist service is expanding and moving toward geographical rounding. Receive excellent support from our specialist colleagues. Remuneration by daily stipend. Full-time and part-time opportunities exist.

CCFP with hospital experience and/or General Internal Medicine FRCPC required, along with eligibility for a licence to practice in Ontario. Interested candidates are invited to inquire about this opportunity and send their curriculum vitae by email to the attention of:
