

Brockville
General Hospital

Our client, Brockville General Hospital (BGH), is a 148-bed community hospital located just east of Kingston, Ontario in the beautiful Thousand Islands region. BGH offers full acute care services including emergency and intensive care, medical/surgical care, maternal/child care and mental health care. In addition, a wide range of health services are provided by skilled health professionals working in multidisciplinary teams within a variety of ambulatory clinics including day surgery, ECG, stress testing, radiology, ultrasound, orthopaedic clinic, stroke clinic, breast screening clinic and the Brockville Cardiovascular Program. Join the BGH Clinical Team as

Internal Medicine Generalist or Subspecialist

Opportunities exist for community based consultative hospital practice providing clinical support for the Intensive Care Unit, Emergency Department and Hospitalist programs. Remuneration is Fee for Service with On-call funding. There is opportunity for an academic appointment and participation in post graduate education with Queen's University. A full complement of specialty support is available locally. Tertiary care services are 1 hour away at Kingston General Hospital and at the Ottawa Heart Institute.

Successful candidates will possess an FRCPC in Internal Medicine with or without subspecialty training and will be eligible for an Ontario license. In addition to General Internal Medicine, practice opportunities exist for candidates with Specialty Certification in Cardiology, Respiratory and Endocrinology. Preferred candidates will bring clinical excellence and teamwork to ensure that BGH delivers high quality patient care through a well functioning Internal Medicine service. Locum opportunities can be arranged to further explore these opportunities.
