

LOCUM GENERAL INTERNIST OPPORTUNITY MARCH 6 - 31

Northern Health is urgently seeking a General Internist for a locum opportunity in Fort St. John, British Columbia. Coverage options are flexible, and any portion of this date range will be considered. Office hours are 9:00—17:00, and call hours are to be determined.

- Compensation: Minimum \$1200 per day
- Accommodation: Paid at the government rate
- Travel: Covered within BC
- Travel Honorarium: Up to \$1000

The new Fort St. John Hospital opened in 2012. The facility has 55 acute care beds and 123 residential care beds and is equipped to handle 22000 emergency visits per year

- Endoscopy suite
- 2 state of the art operating rooms plus procedure room
- Ambulatory clinics including cancer clinics and hemodialysis
- Medical and surgical inpatient rooms
- ICU

While you're in Fort St. John, take advantage of some great recreational opportunities such as skiing or snowshoeing, and indoors at the Pomeroy Sports Centre.
