PERMANENT INTERNAL MEDICINE SPECIALIST -- FULL TIME OPORTUNITY

Tillsonburg is a family oriented community located in Southwestern Ontario, at the southern end of Oxford County and is in close proximity to London, St. Thomas, Hamilton and Toronto.

Tillsonburg District Memorial Hospital (TDMH) is a full service community hospital that provides both inpatient and outpatient care to the citizens of Tillsonburg and the surrounding area. TDMH is a 51 bed full service active treatment hospital with 30 acute care beds and 5 ICU beds and ten chronic care beds and is recruiting for a Internist to provide full scope of Internal Medicine Services (Cardiac and ICU preferable), as required. The types of cases in the ICU are mainly cardiac and respiratory, however, there is a mix of other cases and being a community hospital, there is a wide range of cases on the Medical Surgical Unit including the transfers from ICU and Endocrine, GI, Renal, etc. The TDMH Emergency Department provides 24/7 coverage with approximately 27,000 visits per year.

The hospital hosts a variety of services and specialties, including Anaesthesia, Emergency Medicine, Internal Medicine (including Allergy), Surgery (including Ophthalmology,) Critical Care, Continuing Care, modern diagnostic services (i.e. CT, diagnostic digital imaging, laboratory, digital mammography, cardiac testing, respiratory services, 2-D echocardiology, bone mineral densitometry, core breast biopsy, etc.), Ambulatory Clinics, Satellite Dialysis Unit, and Rehabilitation Services.

The Internal Medicine Physician must be skilled in the management of patients who have undifferentiated or multi-system disease processes and provide back-up and support to our Internists, Surgeons and Family Physicians caring for the acutely ill patients. The physician's practice contributes to medical care for patients who present to the Tillsonburg District Memorial Hospital Emergency Department which sees approximately 27,000 patient visits per year. The Internist is also responsible for caring for patients who are admitted to the Intensive Care Unit and to the Medical Unit (30 beds) and would share on-call coverage for these Departments.

Candidates must be independently licenced with the College of Physicians and Surgeons of Ontario (CPSO).

Internal Medicine has a one in three call rotation remuneration is fee for service. The Hospital is looking for a FULL-TIME general internist with excellent ICU skills, including emergency airway management, central line insertion, working knowledge on mechanical ventilation and non-invasive ventilation and temporary transvenous catheter insertion. Competency to perform procedures commonly employed in general Internal Medicine is also required. Up-to-date BLS and ACLS is required; ATLS recommended.

Compensation is via the Ontario Health Insurance Plan (OHIP) with an estimated annual billings ranging from \$300,000 to \$400,000. Internal Medicine physicians also receive Hospital-On-Call funding for on-call services estimated at between \$40,000 and \$50,000 annually.

It is also anticipated that the FULL-TIME internist will hold clinics at the Hospital for follow-up of discharged outpatients.
