

Unique Practice Opportunity in Kenora...This is Internal Medicine at its best!

Ever paddled to work or covered call from the beach?

- Kenora provides a fantastic backdrop for your professional practice and down-time
- Located on beautiful Lake-of-the-Woods, a pristine lake with 14,000 islands worth exploring
- A regional area of over 25,000 permanent residents and a summer population reaching 70,000
- Vibrant downtown art and music scene, excellent restaurants and cafes
- Outdoor adventure on land, sea and air is a heartbeat away in beautiful Sunset Country!

Robust Clinical Experience

- **Very generous compensation – earning expectation of 488,000/FTE in an alternative funding arrangement (guaranteed income – not FFS)**
- **Join our group to complete our compliment of 3 General Internists to fill a shared rotating call schedule and weekly service model that includes blocks of time off.** For example - 2 weeks on with 1 week off would allow for pursuit of professional opportunities outside of the community or as time-off to rest and enjoy the beautiful lake life
- MRP Coverage of a Level 2 ICU
- Emergent and urgent consults for Lake of the Woods District Hospital
- Community-based consultative services in clinics
- Telemedicine consults for the larger catchment area

We'll Take Care of You!

- Our hospital is staffed by a dynamic and collegial group of Family Physicians with the breadth and depth of skills that come with Kenora's proud tradition of full-spectrum rural Family Medicine
- Kenora is the second largest centre in the North West and is a District Health Campus for the North West LHIN
- LWDH 71 bed fully accredited and teaching hospital, of which 45 beds including: ICU(4beds) and acute care
- Excellent 24/7 surgical and anesthesia backup and RT/nephrology/psychiatry/radiology support
- Regional telemedicine support for ED, Critical Care, Stroke
- Regional and tertiary care referral centres are Thunder Bay and Winnipeg's Health Sciences Centre and St. Boniface Hospital.
