

GIM FACULTY RESEARCH SHOWCASE 2017

TERMS OF REFERENCE

The *GIM Faculty Research Showcase* is a venue to highlight new and innovative research by Canadian General Internists. CSIM members are invited to submit recent findings from studies (especially randomized clinical trials, observational studies, or systematic reviews) that provide new insights and are relevant to General Internal Medicine.

Eligibility: Findings from studies that are in preparation for submission to a journal as of July 15, 2017; are in press or under review at a journal as of July 15, 2017; or were published in a journal **after** May 1, 2017, are eligible for presentation at the Faculty Research Showcase.

This Showcase is intended for CSIM Full Members (in good standing). Senior trainees in GIM (PGY6 or higher) who are CSIM Resident Associates are also eligible. *CSIM Resident Associates (PGY1-5) should submit their research to the postgraduate trainee research competition (visit www.csim.ca for details).*

A selection committee will review structured abstracts (background, objectives, methods, results, interpretation; maximum 300 words) and select up to three abstracts for oral presentation at the CSIM Annual Meeting on Saturday, November 4, 2017 (*date subject to change*). Please note that presenters are responsible for their own registration fees and travel expenses.

We also invite you to consider submission of your research to the *Canadian Journal of General Internal Medicine* ([CJGIM](http://www.cjim.ca)).

DEADLINE FOR SUBMISSIONS: JULY 17, 2017

SEND ONLY VIA EMAIL to info@csim.ca.

NOTE: Please advise the CSIM office promptly if you do not receive a Notice of Receipt of Submission within 72 hours of your submission. It is the applicant's responsibility to ensure the submission is received and late or missing submissions will not be accepted. Failure to comply with the procedures listed may result in rejected applications.
