

**Job Title:** Hospitalist Opportunity (Family Medicine or Internist)  
**Organization:** Headwaters Health Care Centre in Orangeville, ON  
**Deadline for Applications:** Until Filled

### **Hospitalist Opportunity (Family Medicine or Internist)**

Headwaters Health Care Centre is a community hospital operating as an acute and complex continuing care facility, offering both inpatient and outpatient services, as well as an Emergency Department with 24/7 coverage. With over 700 staff and over 160 physicians, the hospital is accredited with Exemplary Standing by Accreditation Canada. Located in Orangeville, Ontario, we are at the heart of medical services for the Greater Dufferin area and other surrounding counties. Our small town offers great opportunities for outdoor recreation, many thriving shops and restaurants, and lots of small-town charm. We are conveniently located one hour from downtown Toronto.

Headwaters Health Care Centre is looking to expand its family physician led acute inpatient hospitalist program and is seeking experienced candidates to make our program a success. We are looking for those candidates with excellent communication skills, strengths in working with teams, patients and families and prior hospitalist experience is preferred. Our hospitalists work day-shifts in one-week blocks, Monday through Sunday, on site from 0800-1700 hrs. Remuneration is provided via daily stipend. A minimum of 4 weeks per year is expected, while 10 weeks or more per year are available. Minimum requirements to apply include up to date ACLS certification.

The department is well supported by internal medicine who are available 24/7 along with multiple surgical specialties. A separate call group exists to cover chronic care and palliative care patients. If interested, please apply to Liane Manifold at [lmanifold@headwatershealth.ca](mailto:lmanifold@headwatershealth.ca) with your CV and expression of interest. Applications close on June 30, 2022.
