As one of the largest integrated network of sleep labs in Canada, Accq Sleep Labs is seeking the involvement of physician to join our expanding Sleep Laboratory. As a physician with Accq Sleep Labs you will provide sleep medicine services to patients referred for sleep consultations and diagnostic procedures. This opportunity allows for part-time or full-time hours, fee-for service income –Monday to Friday with competitive administrative costs and limited on-call requirements.

Opportunities are available in our Ontario Locations including Owen Sound, Paris and Waterloo.

The ideal candidate will have one of the following:

1. Applicant should be certified or eligible for certification in a medical specialty recognized by the Royal College of Physicians and Surgeons of Canada, or equivalent, and must be eligible for licensure in the province of Ontario and willing to undergo on-site training to obtain approval from the College of Physicians and Surgeons of Ontario (CPSO) to practice sleep medicine in Ontario

OR

2. Applicant is ABSM certified/board eligible and licensed to practice in the province of Ontario, or willing to obtain provincial licensing.

Community, Facility and Organization

Our locations offer internationally recognized recreational and arts facilities and some of the most pristine wildlife throughout Southern Ontario. Our locations offer unique opportunities for those who enjoy a smaller but very active community.

In operation for over 20 years with the support of state of the art diagnostic equipment, we run high volume operations that focus on quality of care and efficiency. The goal of Accq Sleep Labs has been the formal establishment of a multi-disciplinary facility dedicated to providing the highest quality of care to each patient assessed in our facility to diagnose and treat a wide variety of sleep related medical disorders. Medical specialists include physicians trained in Internal Medicine (Respirology), Psychiatry, and Sleep Medicine.
