

**Lecturer or Assistant / Associate / Full Professor – Academic General Internist, Palliative Care
Division of General Internal Medicine, St. Michael's Hospital,
Department of Medicine, University of Toronto**

The Departments of Medicine at St. Michael's Hospital and University of Toronto are seeking a general internist with specialization in palliative care. This position will support the large inpatient and outpatient demands of the palliative care service in addition to participating fully in the educational programs in General Internal Medicine/Palliative Medicine at St. Michael's Hospital and the University of Toronto. The candidate will have an academic position description of Clinician Teacher. The successful candidate must be eligible for a Full-time Clinical Academic appointment at the rank of Lecturer or Assistant, Associate, or Full Professor at the University of Toronto. The expected start date of the position is July 1, 2021, or sooner if possible.

The successful candidate will hold an MD degree and have, or be eligible for, certification in Internal Medicine by the Royal College of Physicians and Surgeons of Canada and licensure with the College of Physicians and Surgeons of Ontario (CPSO). The successful candidate must have proven clinical expertise in palliative care. Demonstrated excellence and achievement in teaching and education are strongly desired. Teaching experience will be measured by the presence of a strong track record of interests and excellence in resident and fellow education, formal training in teaching methodology, leadership as a clinical educator and other relevant experience.

The successful candidate will report to the Medical Director of the Palliative Care Unit and the Head, Division of General Internal Medicine at St. Michael's Hospital. The Division of General Internal Medicine, comprised of 20 full time academic internists, has an international reputation in clinical research, education and quality improvement.

Estimated remuneration will be commensurate with academic rank, qualifications and experience. Applications will be accepted until January 31, 2021. Should you be interested in this opportunity, please forward a one-page statement of interest, curriculum vitae and the names and contact information of three referees to:

St. Michael's Hospital is part of Unity Health Toronto, the network of Providence, St. Joseph's and St. Michael's Healthcare. St. Michael's is a teaching and research hospital founded by the Sisters of St. Joseph in 1892 to care for the sick and poor of Toronto's inner city. Affectionately known as the Urban Angel, St. Michael's is renowned for providing exceptional patient care. As

downtown Toronto's adult trauma centre, the hospital is a hub for neurosurgery, complex cardiac and cardiovascular care, therapeutic endoscopy, minimally invasive surgery and care of the homeless and disadvantaged. St. Michael's is also one of the province's major sites of care for critically ill patients. Fully affiliated with the University of Toronto, St. Michael's provides outstanding medical education to health-care professionals in more than 23 academic disciplines. Home to the Li Ka Shing Knowledge Institute, made up of the Keenan Research Centre and the Li Ka Shing International Healthcare Education Centre, the hospital integrates researchers, educators and clinicians to advance patient care.
