

Job title: Locum Respiriologist between January and July 2021

Location: Kelowna, British Columbia

Deadline for applications: December 2020

Job description: Outpatient clinic and inpatient consultant responsibilities, which include reading PFTs and opportunities for procedures such as bronchoscopy, EBUS, and PLEUR-X insertion. Surrounded by multiple ski hills and nestled around Lake Okanagan, there will be many adventures to embark on just outside your doorstep. For more information, contact Dr. Stefanie Leung at 236 420-1061 or dr.stef.leung@gmail.com.
