Every person matters

I don't think we could have lucked into a better situation than our life and work in Kamloops. The hospital work is varied and interesting and the culture in health care here is second to none in terms of collegiality and a supportive team mentality. Work aside, the outdoor activity opportunities are endless and accessible 12 months of the year.

GASTROENTEROLOGY OPPORTUNITY

KAMLOOPS

Fantastic Opportunity

for a full time Gastroenterologist at Royal Inland Hospital (RIH) in beautiful Kamloops. Discover the rewards of career satisfaction working within a strong culture of teamwork while delivering excellence in care! Come join our group of Gastroenterologists who provide service to RIH, as well as maintain a community based practice, and have 2 days of endoscopy time per week. AA referral based practice in general gastroenterology and hepatology, as well as participation in the provincial Colorectal Cancer Screening Program, ensures a varied practice.

Additional GI subspecialty trainings are welcomed but not required. Members of the Division of Gastroenterology provide service to the hospital on a consultative and MRP basis as well as GI on-call service. Enjoy being well supported working with a great group of general surgeons, GPs/Hospitalists, pathologists and highly trained RNs with SCGNA certification. In this position you also have the opportunity to teach as RIH is a UBC site for medical students. We are excited to add passionate and hardworking experienced candidates or new graduates to our team at RIH.
