## GENERAL INTERNIST OPPORTUNITIES

### NELSON

#### *Incredible Opportunity*

to experience both a fulfilling professional life and the ideal lifestyle in a full-time general internal medicine practice in beautiful Nelson, BC. If you have a strong interest in general internal medicine and are confident with emergency room and inpatient management/ procedures, this could be the opportunity for you! In this practice you will work collaboratively with two existing General Internists including office, inpatient and emergency room consultations as well as hospital-based outpatient clinics. There are no mandatory local on-call responsibilities - you can finally enjoy your personal weekend time!

The ideal candidate would be interested in collaborative management of chronic disease and preferably have an interest or subspecialty in respirology, rheumatology and/or gastroenterology. In addition, in this position you can enjoy teaching with locally placed UBC students and residents.

If you are passionate about your work and are looking to practice in a welcoming community setting where you really can enjoy the endless lifestyle opportunities available in the area, apply today and discover the rewards of true work life balance!
