General Internist Opportunity

CRANBROOK, BRITISH COLUMBIA

Seeking an energetic 6th team member to complete the General Internal Medicine team at East Kootenay Regional Hospital in Cranbrook. If you are passionate about your work, enjoy working within a cohesive team and are looking to practice in a welcoming community setting where the lifestyle opportunities are endless, look no further!

In this General Internal Medicine position you can enjoy managing complex cases in a fast-paced environment with a broad scope of practice. The GIM service delivers a wide array of procedures (intubation, central lines, chest tubes, pigtales, temporary pace makers, lumbar punctures, arthrocentesis, paracentesis, etc). Caring for ventilated and/or critically ill patients is managed in the closed 6-bed ICU unit, run by the Internists.

Outpatient consultations services include rapid access TIA clinic, chronic pulmonary disease clinic and CHF clinic with home monitoring. Regular cardiac stress tests, MIBI's and stress Echo as well as Holter, and event monitors also fall to the GIM service.

If you are committed to collaboration, innovation and improvement for quality patient care and services, this General Internal Medicine position could be for you. New grads welcome, as strong mentorship provided.

Apply today to live, work and play where others only vacation! It's better here!
