## General Internist Opportunity

# NELSON, BRITISH COLUMBIA

Fantastic opportunity for a General Internist to join the Internal Medicine department at Kootenay Lake Hospital. Working collaboratively with two existing General Internists, Nelson offers an ideal setting for the candidate with a broad interest in general internal medicine, paired with confidence in inpatient and emergency room consultations and procedures.

Enjoy satisfying work in a relaxed community where inpatient for emergency patients is offered Monday – Friday. No mandatory local on-call responsibilities means ample time left for exploring Nelson, named North America’s best ski town and Canada’s best small arts and culture town, and surrounding areas. This unique vacancy offers the opportunity to practice in a small group setting, includes office, inpatient and emergency room consultations, as well as hospital-based outpatient clinics. The ideal candidate would also be interested in collaborative management of diabetic and chronic disease clinic, subspecialty welcomed, but not required. A strong tradition of teaching locally placed UBC students and residents exists at Kootenay Lake Hospital.

Come experience both a fulfilling professional life and the ideal lifestyle in Nelson, “one of Canada’s hidden gems”.

Apply today to live, work and play where others only vacation! It’s better here!
