GENERAL INTERNIST OPPORTUNITIES

Williams Lake, British Columbia

Incredible opportunity to experience both a fulfilling professional life and a balanced personal life in beautiful Williams Lake, BC. Cariboo Memorial Hospital is currently expanding the IM team and enhancing its service to meet the population health needs. Enjoy working with a collegial professional group, a thriving surgical team and a robust ER (~ 22,000 visits/yr). The ideal candidate will be eager to contribute right away to help shape our general internal medicine program and would be competent with inpatients, emergency room consults, and ICU management/ procedures such as stress testing.

Our ICU offers 3-4 beds with no ventilation services, Williams Lake is a hub for the area and experiences a broad variety of cases. Sub-specialty interests such as respirology would also be welcomed but not required. On-call responsibilities are quite flexible and will be determined with incoming physicians input. In addition, this position offers a teaching component with UBC students and residents.

If you are passionate about your work and are looking to practice in a welcoming community setting where you can enjoy the unparalleled lifestyle opportunities available in the region.
