About Eastern Zone

Here, the view of a lifetime lives around every corner, and the friendliest people live in every community. Hike, cycle, swim, golf – all in an almost unreal beauty.

This part of the province is home to two regional hospitals, located in Antigonish and Sydney, 11 community hospitals, and one Collaborative Emergency Centre serving towns nestled between the mountains and sea. Sydney's Cape Breton Regional Hospital is the second largest acute care facility in Nova Scotia.

Separated by a causeway from the mainland of Nova Scotia, Cape Breton is often named as one of the top island destinations in the world. Sydney is its biggest city, home to Cape Breton University. Outside of the city, it's all about the great outdoors, including hiking, beaches, and skiing at Ski Cape Smokey.
