

Imagine a playground in Atlantic Canada surrounded by fresh waterways on one side and the ocean on the other. Come live and belong to a community where families can raise their children in a safe, close-knit environment with a reasonable cost of living.

Horizon Health Network is seeking *Internal Medicine Physicians* to join our collaborative teams in beautiful New Brunswick, Canada!

Why you should work here

Horizon Health Network is the largest health authority in the region, employing dedicated professionals focused on delivering high-quality care. Our employees collaborate with community partners to provide accessible health programs and services to over half a million people through our 12 hospitals and more than 100 medical facilities and clinics.

New Brunswick offers a safe, welcoming community and a relaxed lifestyle enriched by its Indigenous, Anglophone, and Francophone heritage. Whether by the ocean, a river, or a lake, you'll find an ideal place to call home—complete with short commutes, plenty of recreation, and space to enjoy with family and pets. At Horizon, you'll build a meaningful career that makes a difference while embracing the desirable East Coast lifestyle.

Incentives & Remuneration

Successful applicants may be eligible to receive the following:

- Urban recruitment incentive of \$50,000.00 with a return of service or Rural recruitment incentive of \$100,000 with a return of service
- Moving expense reimbursement is also available.

Remuneration will be determined in accordance with the specific role and practice location. Additional details will be shared as the recruitment process progresses. This may range between a minimum of \$249, 054 to a maximum of \$302, 796 annually (excluding benefits and source deductions) based on qualifications and experience. Locums receive 10% in lieu of benefits. On call remuneration is fee for service. These rates are based on New Brunswick's Medicare Medical Pay Plan and are subject to changes based on provincial policy.
