

Island Health

Living and work on stunning Vancouver Island, BC. We're Hiring General Internist with Island Health!

We'll guide you every step of the way for a successful, fulfilling experience!

Locations: Cowichan Valley, Nanaimo, Port Alberni, Comox and Campbell River

Full-time

The roles:

At **Nanaimo Regional General Hospital**, join the team serving central Vancouver Island. As the region's primary referral center, this hospital offers 345 beds, a dedicated ICU, renal dialysis, and a cancer center, with strong links to interventional cardiology in Victoria. The role includes managing complex medical cases, providing general cardiac care, peri-operative consults, ECG interpretation and supervising treadmill/MIBI tests.

In **Port Alberni, at West Coast General Hospital**, you can join a close-knit group and provide full-spectrum general internal medicine including full intensive care and coronary care capabilities. Cardiac Stress testing, pulmonary function, 24-hour holter and 24-hour blood pressure monitoring capabilities are all available on site. On your days off, enjoy year-round outdoor adventures and a gateway to Canada's surf hub.

Join a supportive team at **Cowichan District Hospital** which will open their new site in 2027! This new hospital is the first fossil fuel-free hospital in British Columbia and Canada's first hospital to achieve Zero Carbon Building – Design™ certification from the Canada Green Building Council! Enjoy flexible schedule, diverse cases and teaching opportunities.

At **Campbell River Hospital**, you'll provide true full-service community internal medicine at a 105-bed hospital. Responsibilities include consultative care, MRP for a 6-bed ICU, shared call duties, and participation in cardiology diagnostics. Interest in liver disease and involvement in a hospital-based multidisciplinary clinic is welcomed.

At **Comox Valley Hospital**, the medical community is a collegial group of physicians, nurse practitioners, dentists and midwives who share common values of medical excellence and a balanced lifestyle. This balance includes great programs and facilities

for families and the availability of outstanding year-round recreational activities.

Why Join Us?

- Competitive pay with rural incentives, relocation support, and CME funding (restrictions apply)
- Flexible practice options
- Supportive medical communities with subspecialty collaboration
- Opportunities to teach medical students and residents

The Communities

Island Health acknowledges with respect and humility the Coast Salish, Nuu-chah-nulth and Kwakwaka'wakw People on whose unceded traditional territories we offer our services and programs.

Renowned for its breathtaking natural beauty, Vancouver Island is the true west coast, located offshore from the city of Vancouver in British Columbia.

Each city offers a close proximity to a wide array of recreational activities including kayaking, kite boarding, windsurfing, fishing, mountain biking, hiking, running, skiing and golfing.

These vibrant growing communities also have diverse public and private schools making them a perfect place to raise a family. With its range of landscapes, rich heritage and robust cultural scene, the Vancouver Island region offers an opportunity to combine a rewarding career with an enviable quality of life.

Benefits

May be eligible for additional remuneration in accordance with the Ministry of Health's Rural Subsidy agreement. Excluding Victoria and Nanaimo.
