General Internal Medicine Practice Opportunities

Join Northeastern Ontario's health care leader

Health Sciences North/Horizon Santé-Nord (HSN), a leading academic health sciences centre, is seeking passionate and driven health care professionals eager to make a meaningful impact within a dynamic and evolving health care system. As the tertiary referral centre for Northeastern Ontario, HSN serves a population of over 600,000 residents across the region.

About the Opportunity

The Department of Medicine at HSN is renowned for delivering high-quality care across General Internal Medicine and other subspecialties. We are currently looking to grow our team in support of our expanding clinical services and academic partnership with NOSM-University (NOSM-U).

Physicians on the General Internal Medicine team work as fee-for-service consultants, with compensation derived directly from OHIP billings. This opportunity includes:

- Shared Clinical Teaching Unit (CTU) service weeks - provide high quality inpatient care while engaging in medical education
- Shared inpatient GIM Consult Service weeks - supported by resources in our Rapid Discharge and Rapid Referral Clinic to streamline patient care and improve outcomes.
- Opportunity to establish a private practice in the community - build a tailored caseload with a strong referral base.

We welcome applications from sub-specialists across all areas of internal medicine.

Why Practice in Sudbury?

Physicians who choose to practice full-time in Sudbury are eligible for generous financial incentives. In addition, HSN offers:

- A collegial and supportive medical community
- Teaching and academic appointments through NOSM-U
- Opportunities for clinical research via the Health Sciences North Research Institute (HSNRI)

Qualifications

- Eligibility for licensure in Ontario through the College of Physicians and Surgeons of Ontario (CPSO) Certification or eligibility for certification by the Royal College of Physicians and Surgeons of Canada (RCPSC) or an equivalent
- Willing to contribute to academic teaching and support the Department of Medicine's educational mission

Health Sciences North (HSN) Sudbury, Ontario

Locum and elective placements are also available, with travel and accommodation reimbursement offered.

Located in the heart of Northeastern Ontario, Sudbury offers a unique mix of urban amenities and natural beauty, with over 330 lakes, a thriving arts and culture scene, affordable living, and easy access to outdoor activities year-round. Whether you're raising a family, seeking a close-knit medical community, or looking to strike a better work-life balance, Sudbury has it all.

Physicians who practice full-time in Sudbury are eligible for **attractive financial incentives**.

The Ministry of Health's Community Assessment Program will cover travel and accommodation expenses for physicians and their spouse/partner to come and explore the practice opportunity and the city.
