

General Internal medicine Specialist Swift Current, Saskatchewan

Posting Date: August 23, 2022

Remuneration: Contract (\$413,959)

Language of Work: English

Position Profile: The Swift Current Area has a wonderful opportunity for a General Internal Medicine specialist in a community based, fee-for-service practice to provide service to a large referral base comprising of Swift Current and its environs and to build a busy practice in an up to date setting. The area and division are committed to assisting our members to achieve a balanced lifestyle.

The specialist will join our team of 2 internal medicine specialists and will work collaboratively with a multidisciplinary team providing a wide scope of internal medicine services for the growing population of Swift Current and its environs.

Call coverage and outpatient clinic services is a requirement for the position. In addition to fee-for-service, you would be eligible for any on-call retainer consistent with the Specialist Emergency Coverage Program.

The successful candidate will join our team to provide comprehensive internal medicine services to the patients of southwest Saskatchewan at Cypress Regional Hospital. The scope of practice includes inpatient, medical ward and ICU and outpatient care, emergency consults and specialist on-call coverage.

Swift Current is a city of 17,000 people serving approximately 50,000 people in the surrounding area. We are located a short drive from larger Canadian cities (Calgary, Saskatoon, Regina). Arts, sporting events, and outdoor activities (camping, hunting, and fishing) are major recreational pursuits. To the west of Swift Current are the Cypress Hills, an area known for its geological and ecological rarity. To the northwest are the Great Sand Hills, which encompass a 1900 km² area, one of the largest of its kind in Canada. To the east is Grasslands National Park, which serves to protect one of the country's only remaining areas of mixed prairie grassland. Finally, north of Swift Current is the Saskatchewan Landing Provincial Park, which straddles the west end of Lake Diefenbaker and offers ample opportunity for boating and fishing. The city itself is very family oriented and offers a safe and relaxed lifestyle with all the amenities of a much larger city. The Saskatchewan Health Authority: The SHA is the largest organization in Saskatchewan, employing over 44,000 employees and physicians responsible for the delivery of high quality and timely healthcare for the entire province. We are driven by the commitment to improve frontline patient care for Saskatchewan people, and we are working together to better coordinate health services across the province to ensure that patients receive high quality, timely healthcare, wherever they live in Saskatchewan. The SHA supports a shared commitment to a Representative Workforce that is respectful and inclusive of all staff and clients. We welcome applications from those who will contribute to the diversity of our community.

Qualifications: Successful candidates will hold certification from the Royal College of Physicians and Surgeons of Canada (Royal College) in Pediatrics or eligible to write Royal College examination. Applicant will be eligible for provisional or regular licensure from the College of Physicians and Surgeons of Saskatchewan (CPSS).

This individual should be a team player, be able to interact effectively with patients, colleagues, staff and management, and function well in a high volume environment with a commitment to provision of high quality patient and family centered care.

The start date for this position is negotiable. Applications will be accepted until the position is filled.

Though all applications are welcomed, preference will be given to candidates who are Canadian Citizens or Permanent Residents.

Proof of COVID-19 vaccination will be required to become a member of Practitioner Staff and provide care in Saskatchewan Health Authority facilities
