

General Internist with Island Health

Cowichan Valley, Nanaimo and Campbell River

Full-time or Locum

Island Health has immediate opportunities for General Internists to join the Department of Internal Medicine in multiple communities across Vancouver Island: Cowichan Valley, Nanaimo and Campbell River.

Whether you are looking for an oceanfront community with a collegial group of general internists, interested in working all aspects of internal medicine including managing complex medical patients, providing general cardiac care and peri-operative consults, or join a community that will have a new hospital expected to open in 2027, we will help you find your fit.

Local specialist services include General, Plastic and Orthopedic Surgery, Anesthesiology, Urology, Obstetrics and Gynecology, Pediatrics, ENT, Ophthalmology and Radiology.

We have an academic affiliation with the University of British Columbia (UBC) postgraduate programs and offer positions at teaching hospitals. We also have a Family Practice Residency Program and are involved in both medical student and residency education. Continue to grow through teaching opportunities with Island Health.

Connect with our recruitment team to learn more about specific positions and how Island Health will support your career growth.

The Communities

Island Health acknowledges with respect and humility the Coast Salish, Nuu-chah-nulth and Kwakwaka'wakw People on whose unceded traditional territories we offer our services and programs.

Renowned for its breathtaking natural beauty, Vancouver Island is the true west coast, located offshore from the city of Vancouver in British Columbia.

Each city offers a close proximity to a wide array of recreational activities including kayaking, kite boarding, windsurfing, fishing, mountain biking, hiking, running, skiing and golfing.

These vibrant growing communities also have diverse public and private schools making them a perfect place to raise a family. With its range of landscapes, rich heritage and robust cultural scene, the Vancouver Island region offers an opportunity to combine a rewarding career with an enviable quality of life.

Benefits

May be eligible for additional remuneration in accordance with the Ministry of Health's Rural Subsidy agreement. Excluding Victoria and Nanaimo.
