

General Internist / Internal Medicine Physician (Outpatient)

High-Volume Community Practice

Location: Ontario

Neobridge Healthcare is recruiting General Internists / Internal Medicine Physicians for multiple opportunities with a well-established clinic group in the Oshawa/GTA region.

Practice Setting

- Outpatient, community-based clinic
- Fee-for-service model
- High-volume practice with strong administrative and clinical support
- **Flexible work arrangement:** Options available for fully virtual, hybrid, or fully in-office practice.

Role Summary

We are seeking General Internists / Internal Medicine Physicians to join a busy outpatient clinic in Oshawa. This opportunity is ideal for physicians looking for a streamlined, well-supported practice environment with strong patient demand, steady volume, and the ability to focus on clinical care without unnecessary operational burden.

This is a fast-paced, organized setting where physicians can build and maintain a broad adult outpatient practice while working independently within a collaborative team environment.

The practice has a strong focus on cardiometabolic care and diabetes management.

This is not an exploratory medicine practice.

Key Responsibilities

- Provide comprehensive outpatient internal medicine care for adult patients
- Assess, diagnose, and manage a wide range of acute and chronic medical conditions
- Deliver ongoing care for patients with complex medical needs and multiple comorbidities
- Support patients requiring cardiometabolic care and diabetes management
- Order and interpret laboratory investigations and diagnostic tests

- Develop treatment plans, manage follow-up care, and coordinate referrals as needed
- Maintain accurate and timely clinical documentation using the clinic EMR
- Collaborate with clinic staff to support efficient, high-quality patient care in a busy setting

Practice Highlights

- Outpatient-only role
- Strong patient demand with immediate opportunity to build and grow your panel
- High patient volume and strong referral flow
- Established clinic infrastructure with experienced administrative and clinical support
- Practice environment designed to let physicians focus on patient care
- Flexible scheduling model with virtual, hybrid, or fully in-office work options
- Standard clinic hours are 9:00 a.m. to 5:00 p.m.

Compensation

- Competitive 70/30 fee-for-service split.
- Strong patient volumes with the potential to earn up to \$750,000+ annually, depending on schedule, availability, and patient load.

Qualifications

- MD or equivalent with training in Internal Medicine
- Licensed with the College of Physicians and Surgeons of Ontario (CPSO), or eligible for independent licensure in Ontario
- Strong clinical judgment and comfort managing a broad range of adult medical conditions in an outpatient setting
- Experience or interest in cardiometabolic care and diabetes management is an asset
- Excellent communication skills and a collaborative, patient-centred approach

- Senior physicians are encouraged to apply; all qualified candidates will be considered
