## Sioux Lookout Regional Physician Services Inc.

**Looking for an opportunity or career change that offers the perfect work-life balance?**

**Need a mental break from the congestion of urban life?**

**Trade your commute for a 5-minute walk to work in beautiful NW Ontario, surrounded by thousands of islands and lakes?**

Sioux Lookout Regional Physician Services Inc. is seeking Internal Medicine Physicians for permanent/contract or locum positions in beautiful northwestern Ontario - the **"Hub of the North."**

### **OVERVIEW:**

"The week for our internists is typically from 9-5pm on inpatient consults, while Tuesday and Thursdays the IM's run clinics from 9-12 noon. The expectation is that you round for a few hours on the weekend. For a normal day, our internists are typically doing 2-3 consults and rounding on their list, which is generally 8-10 patients. It also includes seeing sick patients in ED, helping hospitalists with procedures, and helping to send patients to Thunder Bay or Winnipeg if needed."

### **WHAT SIOUX LOOKOUT HAS TO OFFER:**

- Only a 5-hour drive to Winnipeg and 4.5 hours to Thunderbay.
- Active CT and MRI going live October 2026.
- State-of-the-art 60-bed hospital with 24/7 ER.
- Competitive per diem compensation + Northern Specialist Locum Program support.
- 45-hour work weeks with excellent work-life balance.
- Diverse practice: hospital consultations, ER work, clinic visits, and fly-in community care.
- Supportive team of specialists and allied health professionals.
- Your new lifestyle: Located among pristine lakes and endless forests, Sioux Lookout serves 31+ remote First Nations communities.
- Enjoy world-class fishing, hunting, hiking, skiing, and all the outdoor adventures you can imagine - right at your doorstep!

We can assure you that our healthcare infrastructure is unlike any other, so come experience what our physicians have been talking about for decades.
