Full time, part time & casual opportunities

Discover the career that inspires you!

INTERNAL MEDICINE UNIT

Where complexity meets compassionate care.

Here you will find collaboration between physicians, nurses and specialists, caring for patients with a wide range of chronic and acute conditions.

It's a place where your critical thinking will grow as quickly as your clinical skills. Each patient a unique case to piece together –and you, an essential part of solving it.

PATIENT-CENTERED FEATURES

- Spacious single rooms with private bathroom & shower
- Enjoyable natural light
- Advanced new technology (eg. Vocera)
- Ergonomically friendly work environments
- Ceiling track lifts in each room
- New equipment, computers

CLINICAL TEAM RESOURCES

- 12-hour CRN Coverage / 1 CRN for every 15 patients
- Charge nurse on nights with no team
- Physician & physician assistants on the unit
- Additional supports available for staff (educator, social worker)

TRAINING/ORIENTATION

- Cardiac Rhythm course (can be obtained after hire)

**OPENING
JANUARY 2026**
