

We're Hiring

General Internist

Island Health

Vancouver Island, BC - unceded and traditional territories of the Coast Salish, Kwakwaka'wakw and Nuu-chah-nulth Peoples

LIVE AND WORK ON BEAUTIFUL VANCOUVER ISLAND, BC

General Internist Opportunities with Island Health

Island Health is seeking General Internists to join our teams across Vancouver Island. From vibrant urban centres to welcoming coastal communities, you'll find diverse practice opportunities, supportive colleagues and an exceptional west coast lifestyle.

Locations: Cowichan Valley, Port Alberni, Comox Valley, and Campbell River

Position Type: Full-Time & Locum

Start Date: Flexible

Responsibilities include:

- Managing complex medical cases
- General cardiac care
- Peri-operative consultations
- ECG interpretation
- Supervising treadmill and MIBI testing

Opportunities Across Vancouver Island

West Coast General Hospital, Port Alberni

Join a close-knit team providing comprehensive General Internal Medicine, including intensive and coronary care services. On-site diagnostics include cardiac stress testing, pulmonary function testing, Holter monitoring and ambulatory blood pressure monitoring.

Cowichan District Hospital

Be part of a growing community and an exciting future. A new state-of-the-art hospital is opening in 2027, offering expanded services, flexible scheduling, diverse clinical practice and teaching opportunities.

Campbell River Hospital

Provide full-service community internal medicine in a 105-bed hospital, including consultative care, ICU coverage, shared call, and cardiology diagnostics. Physicians with an interest in liver disease are encouraged to apply.

Comox Valley Hospital

Join a collaborative medical community known for clinical excellence, strong teamwork, and an outstanding balance between professional practice and lifestyle.

Why Join Island Health?

- Competitive compensation
- Rural recruitment and retention incentives (eligible communities)
- Relocation assistance and CME funding
- Flexible practice opportunities
- Strong subspecialty support
- Teaching opportunities with medical students and residents

Life on Vancouver Island

Island Health acknowledges with respect and humility the Coast Salish, Nuu-chah-nulth, and Kwakwaka'wakw Peoples on whose unceded traditional territories we provide care. Vancouver Island offers breathtaking natural beauty, vibrant communities, excellent schools, and endless outdoor recreation. Whether you enjoy hiking, mountain biking, skiing, kayaking, golfing, or surfing, you'll find an unmatched quality of life both inside and outside of work.

Qualifications

- Eligible for FRCPC certification in Internal Medicine, or American Board Certification in Internal Medicine
- Eligible for licensure with the College of Physicians and Surgeons of British Columbia (CPSBC)

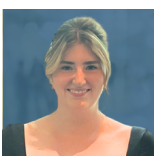

Love What You Do. Love Where You Do It.

Build a rewarding career while enjoying everything Vancouver Island has to offer.
