

RESPIROLOGY OPPORTUNITY KELOWNA GENERAL HOSPITAL

Interior Health
Every person matters

Fantastic opportunity now available for a Respiriologist in beautiful Kelowna! Come join a dedicated team of professionals at KGH and enjoy the rewards of working in a full service, tertiary, academic hospital and making a difference in your community. Enjoy a busy, stimulating inpatient and emergency department consultative practice as well as outpatient consults in the Rapid Access Clinic. Call is Respirology only, no ICU or GIM. The ideal candidate would have a special interest in neuromuscular respiratory diseases and chronically ventilated patient care. During recruitment, locum opportunities may be available for those interested. Apply today and live work and play where others only vacation! It's better here!
