Stroke Prevention Clinic
1 day / week
Brockville General Hospital

Through the [Stroke Network of Eastern Ontario](#), Brockville General Hospital hosts one of four [stroke prevention clinics](#) in Southeastern Ontario.

- provides streamlined access to diagnostic testing, optimal medical and surgical management and counseling in lifestyle change to reduce stroke-risk for those at highest risk of stroke.
- provides an integrated, comprehensive, inter-disciplinary approach to stroke prevention and case management for these high-risk patients.
- facilitates planning and implementation of primary and secondary stroke prevention strategies for the respective area of the region.
- works in partnership with primary care, acute care, stroke rehabilitation, community care access centres and other stake-holders in planning regional stroke prevention strategies.
- Dedicated stroke prevention nurse coordinator
- Fee for Service remuneration
- Office and full administrative support provided

Brockville General Hospital is a 160 Bed, full service community hospital serving a catchment area of 125,000.

Located in the City of Brockville (pop. 22,000), in the beautiful 1000 Islands region.

Driving distances; Ottawa 110/ Kingston 85 km / Montreal 210 km / Toronto 350 km
