

CIMUS Basic Focused Cardiac Ultrasound Workshop

Wednesday, October 2, 2019 from 7:30am–12:00pm
Dalhousie University, Collaborative Health Education Building (CHEB)
5793 University Avenue, Halifax, NS B3H 4R2

In this interactive workshop, participants will learn to acquire and interpret basic focused cardiac ultrasound views relevant to the care of the general medical patient. Common pitfalls and scope of focused cardiac ultrasound will also be discussed. A number of the instructors are internationally-known point-of-care ultrasound experts. Maximal time will be devoted to direct hands-on training on standardized patients. The learner to instructor ratio is capped at 3:1 to maximize learning. This ratio is one of the lowest in hands-on ultrasound training courses!

Pre-requisite: participants **MUST** have basic relevant ultrasound physics knowledge prior to attending the workshop.

Hands-on stations will address the following objectives:

- List the common uses of focused cardiac ultrasound in the care of the general medical patient.
- Recognize the scope and limitations of focused cardiac ultrasound.
- Acquire and interpret basic findings in the four focused cardiac ultrasound views on a standardized patient.

This activity is a Section 3 Accredited Simulation Activity as defined by the Maintenance of Certification Program of the Royal College of Physicians & Surgeons of Canada, and approved by the Canadian Society of Internal Medicine.

REGISTRATION INFORMATION

- Breakfast is provided.
- Transportation to/from Dalhousie University is **not** provided.
- Pre-registration is required – see fees below; participants must also register and pay for at least one day of the CSIM Annual Meeting.
- Registration is limited to ensure interactivity and maximal hands-on experience.
- If minimum registration is not met, this session may be cancelled.

Ultrasound Workshop Registration Fees:

Physicians	\$525 + HST
Trainees	\$415 + HST

This course is sold out. If you wish to have your name placed on a waiting list, please email info@csim.ca.

Cancellation policy: Cancellations must be received in writing to the CSIM Office by September 10, 2019 for a 100% refund less an administration fee of 10% + tax of the registration fee paid. No refunds will be provided after September 10, 2019. Registrations cannot be shared or transferred.
